## ACTIVITIES SET FOR A BUSY 2010

The officers of the CBC and a few members who routinely are able to help in setting up meets and events for the chapter met in November to establish a 2010 Calendar .

A mention that the search is always on for new ideas and new folks to help out, might be appropriate. So if you have any ideas or can help in getting a meet together closer to your home, let one of the officers know!

Most of the events are fairly firm, however: schedule is always subject to minor changes. With at least one event per month, it is expected to be another good year for the CBC.

**January 23, 2010** (Saturday) — CBC Winter Get together at Sakura's in Bowie. The Chapter met once before at this Japanese Steak House and thoroughly enjoyed it. The chefs chopped and cooked right at your table.

**February 27th** (Saturday)—Ladies appreciation Luncheon— Sorrento's in Ellicott City. Enjoy the private room and order off the menu at this Italian Eatery.

**March 13** (Saturday) —Doc's Meet planning Meeting, TBD. Help is always needed! Your input can make a good meet better.

**April 16 & 17** (Saturday & Sunday) —Meet at the Beach. Weekend Meet at Colonial Beach. Chapter Co Sponsors, Ray and Barbara Weese. Enjoy a weekend getaway to antique, relax, dine out

and more. We'll check out what car related events, might be in the area.

**May 7,8,9** (Friday, Saturday & Sunday)—Doc's Meet Front Royal, VA. Always a good meet with members from chapters across the Eastern Seaboard.

**June 3,4,5** Friday, Saturday & Sunday)—Eastern regional - Sponsored by the Garden State Chapter (see ad this issue).

**June 20th** —Antique and Classic Boat Show in St Michaels. This is a great showing of Antique and Classic boats and by request of the promoters, we're hoping to add a good showing of Hudsons as well

**June 26** —Annual CBC Business Meeting , TBD. Election results will be announced.

**July 17th** (Saturday) —Wings and Wheels, DE. Always a good show, we hope to travel up and make it a chapter event as well. Picnic afterwards at the CBC host's home, Artie Sedmont of Caribou Farms.

**August 2-6** HET National in Spokane, WA. More information to come.

**August 15** (Sunday)—Rose Hill. Co Sponsors Doris and Ken Wilson. Hudsons have been well represented and rain or shine, our members enjoy the show!

## HUDSONOTES

The Chapter sends its best to Bill Weller who had cataract surgery on both eyes - although weeks apart. The last surgery was just days before attending the CBC Holiday Party. He reports that he's seeing better than ever.

## President's Message

By Carl Wennberg

Welcome to the new year and a new decade of activities in the HET Club. We already have 2010 planned out with activities for every month. It's time to think about DOC'S Meet, car repairs and tune ups, and building our Hudson family of friends. There are people out there looking for Hudsons to restore. Lets uncover our stash of parts and put a few "new" Hudsons on the road and bring these people into our Hudson family.

It's also time for people to step forward and take positions within our Chapter. Elections are coming in June but we need people now to fill the leadership roll within the Chapter. Send in your self nomination for office to the Elections Chairman ( John Horn) to be published in the next Hudsonaire (March/April). Look for the ballots in the May/June issue.

See you January 23<sup>rd</sup>! Lets leave the Hudson at home. Too much salt on the roads.

*Carl Wennberg*

President  
CBC

***THE OFFICERS  
OF THE CBC  
WISH YOU AND  
YOURS A SAFE  
AND HAPPY NEW  
YEAR!***

**Artie Sedmont's** third annual old-car open house took place on July 18, after the "Wings and Wheels" car show at the Dover (Delaware) Air Force Base. Twenty people caravanned over from the Dover show to the Sedmonts' home in Smyrna, stopping along the way to visit the national meet of the Falcon Club at the Dover Sheraton Motel. After partying and touring Artie's 140-car collection, the last guests departed after midnight! Part of the celebration was for Nancy Sedmont's 80<sup>th</sup> birthday, which occurred the day before!

After several years of restoration, **Anna Marie Pledger's** 1950 Commodore sedan is virtually finished! She shipped the car to Florida in the early 2000's to have her son-in-law restore the body (the engine, being low-mileage, was left alone). Tragically, after almost completing the car, he died suddenly in 2008. Anna Marie subsequently shipped the car back north to the shop of Bill Anderson (son of former CBC member **Karl Anderson**), in Berryville, Virginia, for the finishing

"Before (above) and after". Below: Anna Marie with Bill Anderson and the restored Commodore. Photos courtesy Anna Marie Pledger

touches. Bill re-installed the re-chromed brightwork, repaired the windshield wipers, and adjusted the brakes (among other things). He then delivered the finished Commodore to the recently-built garage at Anna Marie's home in Pasadena, Md. ("It just does fit....about one foot left over!") There are a few things yet to attend to (for one thing, the car runs a bit hot) but all in all, says Anna Marie, "I was a happy camper. It looks really nice!"

**Glenn and Gwen Hartong** were pleasantly surprised to receive a Christmas card from former CBC member **Eugene Cornelison** who now lives in Warfordsburg, Pa. Gene had at one time been a mechanic at a Hudson dealership, and he and his wife Shirley lived in Upper Marlboro, Md. where he repaired and painted cars. In 1970 he bought **Bob Sibole's** 1947 sedan, which he still owns. The Cornelisons moved to Pennsylvania in 1982.

**Dan White's** '50 Commodore Eight was selected to be in the parade at this year's

Hagley Museum antique car show in Wilmington, Delaware on September 20. As the car went by, the announcer mentioned that Hudson was celebrating its 100th anniversary this year. Dan's car and a 1938 Terraplane were the only Hudson products in the 600-car show. He also displayed the car at the H-E-T booth at the Hershey, Pa. AACA car meet this fall.

We've learned that, back in Nov. 2005, **Limatine "Beans" Johnson** traveled to Massachusetts to take a metal-working and fabricating seminar from Fay Butler, an expert automobile body craftsman who has been featured in Hemmings Classic Car magazine and whose past clients have included GM, Ford and Chrysler. Butler has a shop in Wheelwright, Mass. The course was concentrated into four days,

with as many as twelve hours per day, and students ate their meals in the shop. The classes are intentionally small; there were only three students in Beans' group. Butler covered basic forming techniques such as curving, shrinking and expanding metal, and heliarc welding. He taught the use of such tools as a power hammer, "Pullmax", planishing machine and English wheel. Students spent the day in the shop and slept at a bed and breakfast in nearby Ware. Each person had to choose a project. Limatine decided to fabricate from scratch the steel splash apron for a 1931 Chevrolet, which entailed making a wooden "buck" (or form) out of plywood and pine, based on dimensions taken from a fiberglass apron which he had.

"This just in—!" **Lewis Mendenhall** had almost completed restoring this '52 Commodore convertible in October of 2007 when he decided to take it on a short "joy ride". Suddenly, a young lady barreled through a stop sign and slammed her car into the side of his! The damage proved to be more extensive than first assumed, so the following February Lewis embarked on a body re-restoration that included some mechanical work as well. Most of the body work was done at Vintage Motorcar Company, co-owned by former CBC member **Paul Rose** Except for the addition of some stainless trim, the car's now finished! The fit and finish is now, as Lewis says, "way better than new!"

## **CBC Holiday Party 2009**

Sunday December 6th, was sunny and bright but a previously wet and snowy day let everyone know that the Hudson might not be the right vehicle to take to the annual CBC Holiday Party.

There were no Hudsons driven to the party but 23 CBCers found another vehicle ready and waiting to take them to Memories Charcoal House in Mount Airy, Md . There, they enjoyed the afternoon with the traditional luncheon, gift swap and plenty of camaraderie.

This is the second year that the members have enjoyed Memories. Last year, the unexpected closure of our usual Holiday gathering place, The Olive Leaf Café in Mt Airy, forced a mad scramble to find another location at the last minute.

Memories was able to fill the need and proved to be enjoyable enough that a second visit was prompted. The CBCers enjoyed a private room with a large window and a train that on occasion, circled on the track above.

After a nice luncheon, President Carl Wennberg reviewed the schedule of events planned for next year. He also reminded everyone that next year will be an election year and the Chapter is seeking new member to fill some of the Chapter officer positions.

The "Official Gift Givers" then sorted through the presents to find one for each deserving member. Nickki, Tiffi and Stephen Ritter have

been employed in this task for years and the Chapter appreciates having skilled labor and not having to resort to older and less cute elves—meaning, of course, ourselves. Because it seemed to be a good addition last year, everyone showed what they received and explained why it was exactly what they wanted. Some cases called for creativity but everyone enjoyed themselves and some of the demonstrations and explanations were pretty funny.

Attending were: Jon Battle, Gwen, Glenn and Steve Hartong, Lynn and John Horn, Donna and Howard Myers, Beth and Joe Ritter, Michele and Jim Ritter with official gift givers Nikki, Tiffi and Stephen Ritter, Barbara and Ray Weese, Joan and Bill Weller, Carl and Rhonda Frey- Wennberg, and Doris and Ken Wilson.

*(Continued from page 1, Calendar)*

A large multi-make meet, this is one of the more special meets in our area. Hudsons park together.

**November 6,** (Saturday) - CBC 2011 Planning Meeting. We'll be planning for activities in the coming year and also for the 2011 Eastern Regional Meet. The Eastern Regional 2011 meet will be hosted by the CBC and held Front Royal at Doc's Meet.

**December 5th** (Sunday) - CBC Holiday Party.

So, as you can see, there is a full year 's worth of activities planned. Come out and enjoy!

*Hudsonotes, Continued from page 1)*

The Chapter sends their best to Jim and Patti Cropper of North Port, FL. Jim was recently diagnosed with cancer and the thoughts and prayers of their many Northern friends are with them during this difficult time.

### **How many Years Ago?**

As reported in the WTN, Some of our members were already busy with Hudson activities.

- Doc Daugherty was the National HET President.
- Cliff Minard announced that his 36 Hudson would be used in the movie "Tora, Tora, Tora".
- The youngest HET member with a car, Larry Kennedy, age 11 needed a floor shift conversion kit.
- NHRA, Drag racing governing body, wanted to outlaw the racing of automobiles which were manufactured prior to 1957 in all stock classes. So much for racing Hudsons.
- Tommy Sutton had parts for sale. 48-54 front motor mounts for \$3.00.

And that's the way it was **41 years ago** in January, 1969.

## ***CBC ELECTION PROCESS***

This month, we begin printing the nomination letters. These are just what we hope are the first. Don't worry about challenging an incumbent officer, many have been in office a number of years and deserve a break.

New blood is good for any organization. Have ideas of meets or tours? Don't be afraid to step up and nominate yourself. Know another member that would make a good officer and just needs a nudge?

Support is available to make someone's first year as painless as possible.

### ***HOW TO RUN FOR OFFICE***

1. Nominate Yourself!! Write a paragraph or two about yourself and your skills or ideas for the office that you wish to run for (President, Vice President, Secretary, or Treasurer).
2. Mail your nomination to the Elections Chairman (John Horn 704 Walker Ave, Baltimore, Maryland 21212). Your nomination will be published in the Jan-Feb or Mar-April issue of the Hudson.aire. Nominations may also be emailed to [patterl@verizon.net](mailto:patterl@verizon.net).
3. Be present at the Business-Elections Meeting.

#### ***Interested in Appointed Positions?***

Activities Director, Assistant Activities Director, Sun Shine Committee, Hudson.Aire Editor, Assistant Editor, By-Line Reporter, Membership Chairman, Elections Chairman, Web Master, Publicity Master

1. Nominate yourself!! Write a paragraph or two about yourself, your skills, and your ideas for the appointed position that you wish to volunteer for.
2. Mail your nomination to the Elections Chairman. (same as above) The Elections Chairman will turn them over to the newly elected officers after the Business-Elections Meeting.
3. Wait to be contacted.

Think you can fill more than one of these positions? Nominate yourself as many times as you want. There are never enough volunteers! Please don't assume that a position is filled or that you don't have the necessary skills.

The absolute best way to meet members and enjoy CBC activities is to volunteer. And with more volunteers, we can divide the workload. What a concept!

### ***Self Nomination Letters***

#### ***For President:***

***Carl Wennberg***

My name is Carl Wennberg and I'm running for re-election as President of our chapter. I have lead the Chapter through a difficult split in membership and the birth of a new chapter. We have seen changes in the expenses and management of DOC'S Meet.

We are hosting the 2011 Eastern Regional and are committed to work on the 2012 National meet in Gettysburg. If you have liked the way the Chapter has functioned in the last two years then vote for me. If you would like to see some changes then it's time for you to run for office. We have a lot of positions to fill.

#### ***For Vice President:***

***John Horn***

My name is John Horn and I've been a member of the CBC for 18 years and the Vice President for one and a half years. I'm running for re-election to this position as I see the importance of everyone in the Chapter participating.

I've enjoyed our Hudson events and if I can help the Chapter, I will.

***And your letter,  
It's in the mail?***

## On The Go (from page 3)

The 1948 Super Six sedan once owned by the late **Milton Richards**, now resides in Germany! After Milt's death in 2005, the car was sold to Gert Lohse of Kiel, Germany. Mr. Lohse repairs and sells antique automobiles at his Vintage Car Service and Bullenstahl Museum in Kiel, in northern Germany, and where the Super Six is on display. Herr Lohse visited the H-E-T booth in Hershey this October, where your "On The Go" reporter met him. When Lohse returned home, a camera team from a German television show visited his museum and recorded a three-minute feature about the Hudson, for nationwide broadcast!

## 1948 Hudson Coupe

Maybe this isn't your idea of a classic Hudson, but it is someone's. This Pro Street Hudson two-door coupe sports Geo Green paint with red, pink and purple graphics. The narrowed Hudson sits on a 2x3 square tube frame and features a 510-cid Cadillac V-8, an automatic transmission, a 9-inch differential, and a Trans Am front end. Comfort features include air conditioning and cruise control.

This rodded Hudson is owned by Bill and Gin Rutledge and was photographed by Roy D. Query.

It was featured on a calendar as Miss September but only the photo reached my desk.

## And So....

Another issue of the Hudson.Aire comes to a close. I'd like to wish everyone the best for the New Year. And to the Chapter, a busy and successful 2010.

Before I make my request, let me fess up—You didn't see anything in Hudsonotes about my being a klutz and falling on the steps and fracturing my Humerus. I'm recovering. But on to my request ...

If you have something you want to share -a happy event, the birth of a grandchild, getting out of the hospital or anything, email me and we'll get it in Hudsonotes.

One of the nicest things about this Chapter is that it's made up of friends and people who actually do care. Let us hear from you, **Lynn**
