## It's that time again—Please send in your Annual Dues

Hudsonotes has graciously agreed to give its front page spot for this important notice.

We're a little late in sending out this request but we're hoping that all members can be that much more organized and mindful that the Chapter is run by volunteers. Less running around, telephoning and hounding of members for their dues makes for happier volunteers. Check the mailing label on this issue and send in your dues if the date indicates expiration.

Please use the Yellow slip provided and send to Bob Lohrfink, Treasurer as noted on the slip. Also, please take a moment and list your Hudson(s), correct phone number and email address, if any and anniversary. That way we'll have the latest information. And we REALLY would appreciate your fast action.

## Raindrops keep falling.....

Although the TV weatherman predicted a nice afternoon and repeatedly said "not to cancel any outdoor activities", Sunday August 15th at Rose Hill wasn't one of the best days for car shows. In the words of B.J. Thomas, Raindrops kept fallin' on everyone's heads on and off all day.

A number of things were different about the show this year; the number of cars on the field was fewer than usual, the Hudsons were placed in a slightly different location than usual and our Hudson "special non judged status" resulted in 2 handsome plaques. However, as usual, the CBC members that attended thoroughly enjoyed themselves. Eighteen CBC'ers managed to get the Hudsons out, enjoy camaraderie and picnicked and enjoyed the show regardless of the weather. CBCers Jim and Sandy Boyle and Don Phillips were on the somewhat soggy field selling parts.

Rose Hill Manor show always supplies activities that engage the kids—see the photo below of our resident "Kid" lost in the Maze.

Ray Weese (See photo, below) received a gift basket for having driven the furthest to the show. He also received first place in Class # 12, Hudsons. John Horn received second place.

When not enjoying lunch or having ice cream, tire kickin' and trying to stay dry occupied most of the remainder of the group.

## President's Message

By Carl Wennberg

Greetings to all of you from your newly elected president. Reports from the business meeting show the Chapter in the black for the past year. We will be donating a brick to the Ypsilanti Automotive Heritage Museum in the name of our chapter to bring us more in line with our non-profit status with the IRS. We have not been contacted by the IRS but several chapters have. This is all good news. We won't have to raise any taxes. Just remember to send in your renewal dues. Same amount, no increases.

Our fall Hudson season begins with the Mt. Airy Car Show and Marbury Motors Meet in Marbury, Maryland. I hope to see you at both of these meets. Its also time to make your hotel reservations at the Quality Inn, in Carlisle PA, for the events at Hershey. Hershey is the biggest multi make car event in the Mid-Atlantic area. Don't miss it. Jon Battle needs help with the Hudson Hospitality Trailer in the Red Field and Rhonda and I could use some help with the Hospitality room at the Quality Inn both Friday and Saturday night. Don't forget to attend the Dinner with fifty or sixty fellow Hudson enthusiasts Saturday evening. All this and a Hudson only flea market Sunday morning. Rockville is next with a planning meeting on November 13<sup>th</sup> at RIP'S.

On a more somber note, we as a chapter mourn the loss of two fellow HET members who had attended all 47 of Doc's Meets. Wayne Wherle and Bob Kerchner will be missed next year. We will also have an empty spot in the vender field with the passing of Ken Amman. Our condolences go out to the family and friends they have left behind.

In the names of Wayne, Bob, and Ken.  
Let the Hudsons roll on.

*Carl Wennberg*

**Bob Lohrfink's** been all over the place in his '41 Super Six, this summer. For example, on June 12 he won the Best Paint Award at a car show sponsored by the Boring, Md. Volunteer Fire Company.

Bob and his '41 in Hampstead (photo by Tom Kenney)

Then the following weekend he was in Hampstead, attending a car show sponsored by the Matthews Tire Company. They're located in a former Hudson dealership and in fact they had tee shirts made up with a period photograph of the old dealership with a '41 Hudson parked out front. They were so happy to see Bob's '41 that they asked him to park his Super Six in the place of honor, right in front of their building!

**Jim Cropper** reported to us, earlier this summer, that he planned to have his '49 Hudson painted in late July. At that point he had it prepped and it was ready to receive its two-stage refinishing (no clear coat will be used). The '49 was last owned by Larry Romig, H-E-T member who lives in Florida.

**Bob Ridle** will be taking a 12-week course in "Auto Body II" at the Valley Vo-Tech school in Fishersville, Va., starting at the end of August. He took a course there in automotive paint and refinishing, last year. Bob plans to refinish his 1951 Studebaker himself. Although the car has a mere 24,500 miles on the odometer and is in excellent original condition, the paint has seen better days!

In June **Ray Weese** purchased a car -- not a Hudson, unfortunately, but it's still pretty neat! It's a 1963 Corvair Spyder convertible. Although the car hasn't run for 16 years, it's in basically sound shape, and had been repainted before he bought it. Ray has thrown himself into fixing it up. He and his son rebuilt the engine, and he's redone the brakes and brake lines, installed a new padded dash, carpet and seat covers, re-chromed the bumpers and mounted four new tires. At the end of August the car was scheduled to get a new top.

**Artie Sedmont** held his fourth and final Car Lover's Open House on July 17, and Your Gossip Columnist was there! The festivities began at the Wings 'N' Wheels Car Show at the Dover Air Force Base Museum in Dover, Delaware, where Artie

displayed his latest acquisition: a neat '59 Ford Skyliner (shown above with Artie at right). After the show, the Skyliner led a convoy of friends back to the Sedmont home in Brenford, where everyone enjoyed seeing The Brenford Auto Museum — Artie's vast collection of cars. Visitors enjoyed food, beer and soft drinks furnished by the Sedmonts and, finally,

Nancy Sedmont (right) with flowers and framed congratulations from The President! (Staff photo)

everyone gathered around to celebrate Nancy Sedmont's 81st birthday. Beautiful weather added to the fun.

You may recall, two years ago, that Your Gossip Columnist ran a photo of an interesting junkyard near Taneytown, Md., among whose rusty relics are the remains of a StepDown convertible. The owner was reputed to be a reclusive "junkyard dog" of a fellow, not to be messed with, and unwilling to sell parts from his stash of antique cars. Turns out we were wrong! The fellow is indeed willing to

StepDown ragtop under restoration (photo by Tom Kenney)

sell parts, he merely dislikes folks who help themselves to the parts when he's not looking. We spoke to him in his shop this spring -- as he was restoring a StepDown convertible! The gent had found himself a halfway solid Hudson coupe, sawed off the top, and made the hardtop into a ragtop using transplanted parts from several beyond-help Hudson convertibles. That rusted roadside wreck that we showed you two years ago, was one of the donors!

If you think Hudsons are hard to find parts for, consider the predicament of **Jim Ritter**. Jim has a 1944 Massey-Harris farm tractor (the second one built in 1944, as a matter of fact), and ignition parts are scarce as hens' teeth. This summer he bought a used distributor on Ebay just to get the new ignition points in it! The tractor isn't some sort of trailer queen, though; it proved its worth last winter, moving tons of snow from the Ritter driveway!

This doesn't concern any of our CBC members, but it's a Hudson story with a lesson for us all. Ted Steinmetz, President of the Garden State Chapter (and an Eastern Region Director of the H-E-T) and his wife Susan drove their '51 Commodore Six to this year's National in Spokane, all the way from New Jersey, and in doing so picked up the Long Distance Award. The trip out was fairly uneventful, but on their (continued on page 6)

This year's show is open to all "authentic" motor vehicles up to and including 1981 models; however, no replicars, hot rods, customized or modified cars are allowed. There is no judging, however all cars must be in a state of preservation that would not reflect discredit on the show or hobby. All vehicles pre-registered by Sept. 15 will be listed in the printed program. All cars must have a wheel chock and fire extinguisher. Cars must remain on the show field for the length of the show. Trailers are not allowed on the show field. Registration closes at 11:00 A.M.

**GANG (from page 3)**

first day of the homeward trek, disaster struck. A noise best described as a “machine gun flatulent robot” began coming from the engine and the car lost power. At the next gas station Ted discovered that one of the spark plugs was so rusty that it had broken off at the top of the cylinder head. The spark plug base was rusted into the head, and air was passing freely in and out of the cylinder through what was left of the plug! Long story short: H-E-T “angel” Doug Wildrick happened onto the scene, and several hours later the problem was cured, a new plug installed, and the Stienmetzes made it back to New Jersey with not further problems. But here’s the kicker: the Hudson that carried Ted and his wife from one end of the country and back, *hadn’t had its spark plugs changed since 1971*. What a testament to Hudson durability!

**CBCers At Antique and Classic Boat Fest**

A few CBCer’s were lucky enough to be able to take advantage of a chance to see what seemed like a huge number of antique and classic boats at St. Michael’s, MD on Sat June 19th during the 23rd Annual Antique and Classic Boat Festival.

In addition to the antique and classic boats, regionally, nationally and internationally recognized Painters, Jewelers, Model-Makers, Authors and craft vendors displayed and offered a great mix of medias, subjects and kinds of art for sale.

The Rum Bar offered a variety of tropical drinks and food vendors offered whatever else might be desired.

Festival goers enjoyed the Chesapeake Bay Maritime Museum which featured a look at life on the Bay, while other exhibits depicted Oystering and Bay History.

The obvious pride the boat owners showed in restoring and maintaining their crafts was evident. And very similar to how a Hudson enthusiast feels about his “pride and joy”.

Quite a nice way to spend a Saturday afternoon in June! Attending were John and Lynn Horn (‘53 Hornet) and Carl and Rhonda Wennberg.

## CBC PICNIC and BUSINESS MEETING

*Gilbert's Run Park, Staff Photo*

10 CBC members took time to attend the Annual Picnic and Business meeting on June 26th. Held at Gilbert's Run Park in Southern Md, the site provided a bit of country for those not used to it and even a breezy shelter for the picnic and business meeting.

*Chapter members get down to business*

Members were able to informally catch up and kick tires before having an excellent lunch which was provided by co sponsors President Carl and Rhonda Wennberg.

Lunch was quite substantial and included hamburger, hot dogs, corn on the cob (freshly picked that morning) and all the dishes provided by the CBC'ers. No one left hungry.

No Hudsons were driven to the meet. Was this a time when the desire for AC won out over the chance to drive your Hudson? Possibly.

Attending were: Kevin and Judy Chandler, Gwen and Glenn Hartong, John and Lynn Horn, Bob and Arlene Lohrfink and Carl, Rhonda Frey and grandson Evan.

## June 26th CBC Business Meeting Highlights

1:57 pm President Carl Wennberg called the meeting to order. Secretary Kevin Chandler reading the minutes from the last business meeting and Treasurer Bob Lohrfink then read the Chapter Financial Report. Both minutes and Treasurer's report were accepted as read.

Vice President John Horn then read the results of the mail in ballots for club officers. Carl opened the floor for nominations but did not receive any. Carl then asked for a vote to accept the current slate of officers. By unanimous vote from the membership present and the mail in ballots received, the current slate of officers were reelected.;Carl Wennberg President, John Horn Vice President, Bob Lohrfink Treasurer, Kevin Chandler Secretary,

## And So....

Another issue of the Hudson.Aire comes to an end. As a child, I really enjoyed having the “Uncle Wiggly” stories read to me. Each chapter ended with the bunny gentleman in a stressful situation and a promise —“And now in the story after this, if the milkman doesn't leave us sour cream for our lemonade, I'll tell you about Uncle Wiggly and the black crow.”

And in the next issue, if the milkman doesn't mess up again, we'll tell you about our Hudsons, our travels and the meets CBCers get to. Chapter members are busy and interesting folks—get out and you'll realize this!

Take Care, Lynn
