Hudson Caravan to the Sea – The 2010 All-California Meet San Simeon, CA - Sept. 17-18

Now that the 2010 International HET Meet is over, it is time to think about the All-California Meet at San Simeon in Sept.

Mike Cherry organized a Hudson caravan from Park City, Utah to Spokane (2 days & 760 Miles) and it was a real kick. So we are getting together a short Hudson caravan to San Simeon. **Caravan information, the meet flier and the meet registration form** are available at:

http://socalhet.org/all_cal_caravan/caravan.htm

Sign up at caravan@elkay.org and vote for your lunch stop.

Benefits: Attract Attention/Show Off the Cars - Safety in Numbers/Roadside aid - Fellow Hudnuts/Conversation and Tire Kicking - 200 Mile Rolling Hudson Meet - Easy Pace - Multiple Opportunities to Join the Caravan along the Way

All are welcome - Hudsons, Terraplanes, classics, SOB's (some other brand). If this is the first time you are making the trip, this is the way to do it. If you have been there before, this will be something new. We have a choice of lunch at [Anderson's Pea Soup Kitchen](#) in Buellton or [In-&-Out](#) in Santa Maria.

2010 International HET Meet

The meet in Spokane was very successful; good weather, plenty of activities, cars and members. If you were following our twitter site (<http://twitter.com/scchudson>) you know that there were 450+ in attendance with 90-125 Hudson products from most periods. The 3 tech sessions were very informative and well attended.

The new lineup of Western Region directors: Frank Fry – Sr. Director, Matt Royer – Director, Jay Eldridge – Director, Sarah Young – Alt. Director

There was a large turnout for the Mike Cherry BBQ in Park City, UT. The next day, most of the group formed up for a traffic-stopping Hudson caravan to the Meet. There were numerous highway construction projects along the way with the accompanying delays.

There was some discussion about the problem of the restrictive limits concerning when the meets may be scheduled. Presently, they can only be held during July, August or Sept. This prevents some chapters from meet

hosting due to the climate or heavy tourist seasons.

The 2011 HET Meet will be in Oklahoma City, OK.

2011 HET Calendar

Matt Royer and Mike Cherry teamed up to create another great HET calendar. The calendars were introduced at the 2010 Meet and the sales were brisk. A few will be available at the All-Cal Meet and the Laughlin Economy Run.
